OBJECTIVE

I recent Computer Science graduate with hands-on experience in web development. Skilled in HTML, CSS, JavaScript, and modern web frameworks such as React and Node.js. Passionate about creating responsive and user-centric websites. Eager to apply technical skills and problem-solving abilities to contribute to my work. and support the development of innovative web solutions.

SUMMARY

- Recent Graduate in Computer Science with strong foundation in software development and web technologies
- Proficient in HTML, CSS, JavaScript, for building responsive and dynamic websites.
- Strong problem-solving skills, with an ability to debug, test, and optimize code for performance and scalability.
- Demonstrated ability to collaborate in agile environments and work effectively in team settings.
- Passionate about staying updated with emerging web technologies and eager to contribute to innovative projects.

PERSONAL PROJECT'S

BMI Calculator

- Developed a BMI Calculator using HTML, CSS, and JavaScript to allow users to input height and weight for JavaScript automatic Body Mass Index calculation.
- Implemented responsive and user-friendly UI design using CSS for a seamless experience across different devices and screen sizes.
- Utilized JavaScript for input validation, error handling, and dynamic BMI results display, ensuring accurate calculations and interactive functionality.

Netflix Clone

- Built a Netflix Clone website using HTML, CSS, and JavaScript to replicate the layout, functionality, and user interface of the popular streaming platform.
- Implemented responsive design with CSS to ensure compatibility across various devices and screen sizes, enhancing user experience.
- Utilized to create interactive features such as dynamic content loading, movie category filtering, and responsive media controls for a seamless user interface.

EDUCATION

Bachelor of Engineering	HYD, TG
Khammam Institute Of Technology And Science	2020 - 2024
<ul style="list-style-type: none">Major in Computer ScienceCumulative GPA: 6.00/10.00Relevant Coursework: Software Engineering, Operating Systems	
Intermediate	KMM, TG
Sri chaitanya junior college	2018 - 2020
<ul style="list-style-type: none">Major in MPC	
Kendriya Vidyalaya	KMM, TG
Schooling	
	2010 – 2018

HARD SKILLS

Html, Css, JavaScript, Python

SOFT SKILLS

Critical Thinking, Attention to Detail, Time Management, Adaptability and Flexibility,
